Do I need to attend the event to buy that patch?

No. While they will be available (if supplies last), you can purchase your patch thru the order form in the booklet.

Will the Patches be available at the Council Office?

No. The patches are available by mail order using the form, or by going to the events the patches are created after.

Where will the proceeds go?

All proceeds from the sale will go to the Alumni Association for Boyhaven. The Association will use the funds for projects that will benefit the camp facilities and programs. For more information on our Alumni Association, please go to our website.

If I order a Numbered Set, how is it determined what number I get?

Everything is on a first come, first serve basis and while supplies last. The numbered sets will be assigned starting with number one and working up to number eighty-five as orders come in. If you wish you can choose a number if it is available. The spot to do this is on the order form. If that number is already taken, then the next numerical number will be given to you.
