

The Alumni Association is dedicated to the continuing success and improvement of Camp Boyhaven and the programs it offers.

In times of decline of available money from sources that in the past have been stable and of substantial amounts, we provide supplement money to the Camp's projects that improve facilities and program features.

Started in 2008, the Association looks forward to a long term commitment to Boyhaven and the youth that call it their second home.

If you have any desire to step up and more involved in any aspect of the camp you are encouraged to do so. We are always looking for volunteers to make life even better at Boyhaven.
