OUTDOOR LEADER SKILLS FOR WEBELOS LEADERS...

Webelos den campouts serve to move the Webelos Scout to the next level of the BSA's ever-increasing challenge in the outdoors. The boy and his parent will be introduced to the basics of Boy Scout camping. A trained Webelos den leader who has completed position-specific training and Outdoor Leader Skills for Webelos Leaders should conduct these events. Webelos dens are encouraged to participate in joint den-troop campouts, particularly in the fifth-grade year.

Designed specifically for Webelos den leaders and their assistants, the Outdoor Leader Skills for Webelos Leaders course teaches outdoor-related skills through demonstration and hands-on practice. Webelos den leaders should attend this training before conducting Webelos overnight camping with the boys and parents of the den. In addition to covering basic camping skills, this training features planning campouts and finding resources.

PACK FAMILY CAMPING

What is this?

Pack family camping is when you (the Pack Committee) provide the program, staffing, and meals for your kids. You only rent the facilities from us.

Do a lot of Packs do this?

YES!! We have a lot of Packs that come in, rent the camp COMPLETELY, and run excellent programs for their kids!!!

In fact, Pack Family Camping rose 30% NATIONWIDE last year and was the only Cub Camping Program that increased that much!

The staff at Boyhaven is prepared to help make your pack's Family Camping Program a success.

While we do not provide the food, staffing, or program, we do not want you to fail.

We are prepared to help you the best way possible. Just ask!

What do we need?

This is a easy one....

- Kids
- A little dedication
- A little planning
- and a B.A.L.O.O trained adult

What would we do?

A B.A.L.O.O trained individual would have all the knowledge and materials needed to help guide the pack in the planning and execution of this program. But some ideas would be:

- Crafts
- Nature Walks
- Campfires
- Sports
- Scoutskills
- Anything your pack wants to plan!!!

Schedule your weekend today!

Call Nancy at the Council Office and ask for Nancy to schedule your event.

Don't forget to ask about our special facility rates for Pack Family Camping or find them on our website!
